

WOOF~O~GRAM

MILITARY ORDER OF THE DEVIL DOGS SUMMER EDITION 2017

"It's an HONOR to be a DEVIL DOG!"

A FAREWELL FROM THE 57TH CHIEF DEVIL DOG

WOOF, WOOF to all Dogs of the Order,

All good things must come to an end. This will be my last article in the Woof-O-Gram as your sitting Chief. I cannot adequately express my gratitude for being given the opportunity to represent the Military Order of the Devil Dogs as your leader during the past two years. Time flies when you're having FUN, and I have had more FUN than I thought was possible!

In addition to the Mid-Winter Mini Growls and the Supreme Growls, I have had the opportunity to attend many Division, Pack, and Pound growls literally from the east to the west coast. At the Grand Growl of the WI Pack in late April, I had the honor of upgrading several candidates and installing the newly elected officers. From there, in early May, I drove to Idaho where I was honored to upgrade and install at the Grand Growl and to serve as the Keynote Speaker during the Grand Banquet. I then made a U-turn and drove to the east coast where I elevated five Pups to DD and installed the new Pack officers. After seventeen days on the road, I arrived back home in time to attend my own IL Pack Growl where I had the honor of advancing six Pups to DD and installed new officers. I would like to thank all of the above for their invitations and hospitality. I am now preparing to drive to St. Louis to attend the Grand Growl of the MO Pack. From there I will head west to attend the Grand Growl of the OR Pack. The only invitations that I regretfully declined due to previous commitments during my two terms of office were IA and CT Pack Growls.

I must give kudos to all of the Packs and Pounds that stepped up to my challenge of each member donating one big bone to the children's hospital fund. It's all for the kids, and I hope we will have a really big check to present at Overland Park, KS in August. From the texts and emails that I have received from various members informing me of their large contributions, I think it will be a reality. For those planning to attend this year's National Convention and Grand Growl, check the MCL and MODD websites for any updates and when you arrive be sure to check announcements in the Dog House as to any last minute scheduling changes. If your paperwork has been properly submitted by the well-published deadline, I look forward to upgrading you this year; if not, my successor will be glad to do the honors next year in Buffalo, NY. Candidates, be sure that you don't miss the check-in deadlines for the League and MODD (1700 Monday of Convention week) and have all required items with you. For those who want patches sewn on, Auxiliary member Jeanette Geise, wife of my loyal and trusty Aide-de-Kamp PDD Tom Geise, will again provide the service for a few bones that she graciously donates to the Kennel.

I would be remiss if I didn't thank the Past Chiefs for their guidance. Their experience and sage advice has been invaluable to me. I also want to thank my loyal and faithful staff members who are as committed to serving the Order as I am. I wish I could mention each individually because, without each member of the staff, the Order couldn't do the good works for which it is so well known. However, I must mention a few Dogs who are the backbone of our organization: Kennel Executive Director PCDD Doug Fisk who prepares our budget and controls our checkbook, Kennel Dog Robber PDD Steve Joppa who keeps membership rosters current, files our legal documents, and forwards collected bones to the KED, Senior Vice PDD Leonard Spicer who works diligently to increase membership and is always there whenever I need his assistance, Junior Vice PDD Tom Hazlett (cont. pg. 3)

Sr. Vice Chief Devil Dog thanks you for your support

Woof Woof Dogs of the Order,

I can report that there is movement in membership of the order. Retaining and recruiting should be one of our highest priorities in the League and ultimately for the MODD. The recipe is the same, have fun, be active, and speak to all leaguers. Wear your covers, vests and collars it will open conversations and show your proud of your Detachments and Pounds. Give them the why, what, and how to be a member. You just need to be out there and Bark. I've gone to Conventions, staff Conferences, Packs & Division Growls to learn and pass on Information. See what works and bring it back and implement some of the ideas like yard sales, fall and summer picnics, Christmas in July or golf tournaments to bring in members and bones. Never forget the shut-ins or VA home. Listen to the young Vets, and acknowledge your Dogs. Remember to increase membership, hang on to the ones we have and have fun doing it.

This is another election year and it has been an honor serving as SVCDD the past 2 years. I would like to take this opportunity to announce that I, PDD Leonard Spicer, will be running for the office of 58th Chief Devil Dog. I would like to thank you all for your support.

It is an honor to serve, Semper Fi!

Jr. Vice CDD has some bones to raise

Woof, woof all Dogs! I can feel the excitement building around the Kennel as we move into the mid-portion of June. Soon, many of us will be in Overland Park Kansas for what should be another superb Supreme Growl. I have had many of you contacting me for various reasons and it is always great to hear from you. It is great to hear that there are new Pounds being created and that many are working hard on their incorporation as well as their filing of their 990's. Keep up the great work and remember to keep your Growls fun, there is nothing more enjoyable than attending a well conducted and fun Grand Growl or local Pound Growls. Remember, keep them fun and they will come. (cont. pg. 5)

(cont. from cover pg) who has done a masterful job of raising funds and keeping it fun all while doing double duty as MCL Executive Director, Kennel Smart Dog PDD Jeff (J.D.) Jones who renders his opinion on bylaw concerns whenever requested to do so, Kennel Dog Trainer PDD Bill Barta who has provided levity and much appreciated spiritual guidance, Kennel Mad Dog PDD Alan Sanning who has a unique creative ability to make the advancement experience an unforgettable one, and Kennel Police Dog PDD Rod Hoffman and his Deputies who do a fine job of collecting fines for frivolous disruptions and other infractions in the Dog House and in Growls. PDD Hoffman is also responsible for keeping track of the Chief's staff and other sacred items between events.

In addition, I need to mention Kennel Barking Dog PDD Randy "Otter" Ott who serves as editor of the Woof-O-Gram (and has improved it tremendously since he took over the position from me several years ago), Kennel Webmaster PCDD Leanna Dietrich who designs and maintains our website and is always prompt in posting vital information, Kennel Artist HCDD Jack Severn who designs our coins and patches, bringing in much needed revenue to the Order, Kennel Watch Dog PDD Mike Lamb and his Deputies who secure the quarters and assist the Police Dogs in collecting fines during growls assembled, Kennel Quartermaster PDD Wendy Zamora who maintains a well-supplied Ship's Store, Kennel Koncierge PDD Terry Hightower who acts as Liaison between the MODD and the respective hotels and posts adequate signage to keep all Dogs on the right path, and Kennel Operations Dog PDD Ray Carrier who ensures that the Dog House runs smoothly at Mid-Winters and National Conventions. PDD Carrier also took on the responsibility of writing Standard Operating Procedures for all Kennel positions.

Thanks also to Kennel Auction Dog PDD Charles Minton who does what auctioneers do best (Boy, can he bark fast!), Kennel Lucky Dog PDD Evelyn Remines and her Deputies who handle our raffle sales, Kennel Veterinarian PDD Roger Ware and his Deputies who are always on call to assist the sick and injured Dogs, Kennel Historian PCDD Bob Lent who keeps all of our important documents and paraphernalia in a secure location, Kennel Legal Beagle PDD Teresa Terry who has the expertise, knowledge, and experience needed when called upon, all of the Division Vice Chiefs who share vital information with their respective Pounds and Packs and do a great deal of traveling to perform initiation and installation ceremonies, and our various Committee Chairs and members who serve with distinction. I also want to thank the Dog Handlers who volunteer their time with the various platoons during the initiation process at Conventions. Finally, I wish to thank PCDD Laurel Hull who gave me my first job with the Kennel as Digital Dog and PCDD Bill Taylor who encouraged me to "go through the Chairs."

All of the above mentioned positions are absolutely vital to the efficient running of the Kennel, and they all deserve a good scratching behind their ears for a job well done. Thank you very much! To the rest of my staff, you have my deepest respect, and I personally thank you for your dedication and service. We have made a great team!

Mad Dog wants you to plan ahead

With August and the Supreme Growl right around the corner, I'm sure that many of you Devil Dogs traveling to Overland Park, KS for advancement to Pedigreed Devil Dog are wondering what things you might see. Well, while you might see lions and tigers and bears; oh my! You will most assuredly see handlers and Past Chiefs and fleas; oh no! So, considering all of the frightening things you will likely encounter I will attempt to make things a bit easier on you with the following list:

1. Bring a copy of your advancement paperwork with you (original must be in the Honorable Kennel Dog Robber's paws by 1 July).
2. You will need at least \$50 big bones for processing and to cover the items that go along with initiation, \$25 of which is refundable on Wednesday if you return your initiation collar, (this doesn't cover the extras like personal purchases of t-shirts, patches, pins, raffle tickets etc. which you decide to buy).
3. Remember to check in with League registration FIRST, THEN take your credentials to the Dog House to check in there, no later than Monday at 1700. Get a paw up on the other DD's, and beat the long lines by checking in on Sunday. The Initiation Team, to include the Dog Handlers will be eagerly awaiting your arrival either day.
4. Finally, to be eligible to advance your Application for Degree Advancement must have been signed by you and submitted by your Pound Dog Robber to go up the chain through your Pack Dog Robber, (where one exists), to arrive to the Kennel Dog Robber by July 1st. You should verify your paperwork has been received and processed by going to www.moddkennel.org and looking in "GROWL INFO" for your name in "Supreme Growl Advancements". The names scroll up from the bottom of the page. If yours is not there you will need to notify your Pound Dog Robber so they can check your status with Pack and/or Kennel. For additional info see Kennel Mad Dog input on page 4 of the Spring 2017 Woof-O-Gram.

Thank you to all of the PDD's that have already contacted me to be a part of the Initiation Team. We can still use some more Dog Handlers, Assistant Handlers as well as Monitors; send me an email if you're interested in helping out. Safe travels to all, watch out for flying monkeys and I'll see you in Kansas!

Hear me Dogs; I AM 57th CHIEF DEVIL DOG, the great and powerful! It's 4th and goal, but, before you can achieve your Gold Collars you must first go and face the Fleas, now off with you to Madam Big Flea!

Police Dog plans to be very busy collecting fines in Kansas

Woof Woof!

My bags are packed for the 78th Supreme Growl. See you in Overland Park!

Jr. Vice CDD continued...

(cont. from pg. 5) I wish to express my many thanks to those who have purchased their Sweepstakes tickets; the tickets keep rolling in and they are appreciated! To date, I have received nearly \$4,000 in sales and counting. Some of you have forgotten to attach the Big Bones required to purchase them, for those that have, I will be in contact with you. If you have yet to purchase them, you will find them in your recent WOG or in your last issue of your Semper Fi magazine. The next Semper Fi issue will also have the Sweepstakes tickets inside or you will be able to purchase them at the National Convention.

I want to remind all you Dogs out there that we still have a great tool on line to use for all your Dogdom questions. The Obedience School is still alive and well and can be found under the "Publications" tab on the Moddkennel.org website. Refer to the Obedience School prior to reaching out to the Smart Dog at any level; if you have not reviewed the Obedience School, there is a great deal of information available at your paws and for those that know of it, it is encouraged that you periodically review the many lessons included within.

For those Dogs who intend on obligating to PDD, please remember to submit your paperwork with your Pounds and Packs so the Kennel Dog Robber has your registration paperwork; don't forget to keep a copy in the event of a snafu at Overland Park. I've received calls asking why the Growl registration is not on line; remember, you cannot register for the Supreme Growl on line; you must first register for the National Convention and once at the Convention, bring your Credentials to the Dog House to register for the Supreme Growl.

My many thanks to the 57th Chief Devil Dog for two great years of fun as his and your Junior Vice Chief; I look forward to serving the Kennel in the future. I am a candidate for your Senior Vice Chief Devil Dog and I hope to have your support at the Supreme Growl in Overland Park. I look forward to all the fun and to the business of the Kennel and I hope to see you in Overland park!

As Always, please remember our Marines serving this great nation; especially those in Harm's Way. Pray for their safe return and keep their family members in your thoughts as well.

Jr. Vice Chief

Kennel Executive Director has something to share

Woof Woof all you Karniverous Kanines;

There are several Offices that a critical to the success of a Pound and Pack. The Pound Keeper/Pack Leader is the leader, but he also needs assistance from his staff to formulate and execute a progressive plan. One of these is the **Police Dog**.

Over the past several years I have noticed some things that disturb me. I thought I would talk about them here and if you think I am full of dog crap, let me know. When I go to Pound or Pack growls, whether in my home Pack or during my travels, I observe how things are done. You might be surprised that there can be many differences between those areas I visit and my home Pound and Pack. Quite often I have been observing Police Dogs who seem to be overtired, as after the opening ceremonies are done they sit down on their haunches while the growl is being conducted. To me, this is a very big no-no. The Police Dog is the collector of fines. Unless specified to something else, fines go into the general fund of the entity collecting them. Unless stipulated, such as all fines go to the Hospital donation, these funds can be used to conduct the business of the organization. Expenses such as printer paper, envelopes, ink cartridges, stamps, etc., are needed to prepare reports, mail forms and notices, and other sundry items. Fees need to be paid for the Incorporation of your organization.

First, who can levy fines? The Chair, be it the Pound Keeper or Pack Leader, can do this. But they cannot see everything that goes on during the growl. Therefore the Police Dog is empowered to levy fines for infractions they observe as well. Hopefully they use a sense of humor in levying a fine, as it is easier to get bones out of some dogs with honey than with vinegar. A really great Police Dog makes paying fines FUN.

The bottom line of my tirade is, if you take the position of Police Dog, patrol the growls you are involved in and collect fines. Don't sit on your duff (well, on particularly long growls, maybe for a couple minutes), be proactive and help the other Officers make the growl a fun event to attend. Who knows? You might just see an increase in attendance.

If you ever want to discuss ideas for making fine paying fun, I invite you to talk to the Deputy Executive Director PDD Bill Schmidt. PDD Schmidt, in my and many other dogs opinions, is the best Police Dog we have ever seen. He can squeeze a bone or two from the tightest fist dog out there, and they will be smiling when he does it.

Stop by the Dog House in Kansas City, and say Hi. See you then.

Many Barkings from the New England Division

Since the last Woof-O-Gram I continue to be happy to represent the dogs and participate in events at the VA that improve the veterans stay like assisting at bingo to provide entertainment, visit the vets in their rooms and other various activities. I know other dogs are providing similar support to veterans and I encourage all dogs to do so. Throughout New England dogs also support the scouting program by serving in various positions and participating in various events one of which is presenting a certificate of accomplishment on behalf of the MCL & MODD.

In April I attended a growl of the NH Pack conducted very well by the Pack Leader Cherie Monnell who I'm reporting to the Chief for fining me for unjustifiable reasons. I also attended a growl of Chinook Pound 159 lead by PDD Mark Lindley who, I observed, was guilty of harassing dogs.

All dogs should do everything they can to support MCL & DD activities in their area.

Recently I was able to attend and participate in a meeting of the VAVS organization which is a good way of keeping informed of Veterans activities. A number of dogs in the Manchester area, plus the NH Pack Leader, attended a social event in Manchester. These types of events allow members and their families to get to know each other better. These activities also help in training dogs to get along and not bite each other.

The New England Division Conference and Quad State Convention was held in April in Newport RI. The Conference was very well organized by PDD Jane Deptula and since RI doesn't have a Pound, the Growl was conducted by the NH Pack Leader PDD Cherie Monnell. Participating in the growl were PCDD Doug Fisk, PCDD Bill Taylor, and New England Vice Chief Devil Dog, PDD Frank Diekmann. As New England Vice Commandant a very informative presentation was made by Warren Griffin about the MCL.

Dogs provided a casket watch and a firing detail to a Marine during the Past month honoring one of our brothers. As our organization ages we unfortunately are losing some of our members. We need to honor and recruit new members to take their place. It is very important that every Pound have an active recruiting program. Membership in the MODD is 5959 but there are 982 that haven't paid their dues. There is a new MODD ritual book and manual on their web site. Be sure you update your information.

On the 2 of June I attended the CT Grand Growl which was led by Pack Leader Worthy PDD Jack Savage who started the growl at 19:34, 4 minutes late and justly paid a self-imposed fine. There were 36 dogs in attendance with a few of them having to delay the growl to scratch themselves. The first action taken was the reciting of the Devil Dog Creed which was really screwed up so all dogs had to pay a fine. The roll call of leading dogs was then conducted which took longer than expected while the officers found out who held what office. It was also discovered that some dogs were AWOL and the Police dog had to round them up from the water dish. Jack then introduced the guest starting with National MCL Sr. Vice Commandant, PDD Wendell Webb, 45th PCDD, Bill Taylor, 49th, PCDD Doug Fisk, Deputy Kennel Executive Director, Bill Schmidt and VCDD - New England Frank Diekmann. Jack then held the growl fining when he could. Under the good of the league I stressed the importance of collecting the dues on time to the Dog Robbers. Also stressed the importance of making sure the Installation Reports, Filing of the incorporation document with the state and the 990n with the IRS are done on time. After the CT Grand Growl Bill Taylor conducted the election of officers for next year.

A week after the CT Convention I attended the annual MA Convention held in Hyannis MA. A Grand Growl of the MA Pack was conducted by PDD Paul Manna on 9 June scheduled to start at 20:00. The growl didn't start though till 20:03 after a loud howl by the 29 dogs in attendance. Paul fined himself for being late. (cont. pg. 9)

North West Division...12th Dog in the Kennel

I have attended Conventions in Idaho, Montana and Washington in the past six weeks. We had a total of 7 PUPS initiated and 5 Devil Dog advancements. Fun was had by all. Idaho's Convention the 57th Chief was the guest of honor.

While there we discovered a Devil Dog who is Korean Era Vet who we are currently processing paperwork to advance.

The Oregon Dogs will have their Grand Growl this weekend and therefore we do not have the totals until the next WOG posting.

There are pictures of all the conventions so far in the gallery of the online version of the WOG.

NW Division is gearing up for National and many of us will be attending.

Hope to see many of you at National Convention and the Supreme Growl.

Greetings to all the Devil Dogs in the Northeast. I have been asked to help bring the Pound and Pack records up to date for the Kennel. Please send your latest installation report and a copy of your 990 to:

redroadking02@hotmail.com There are also Pounds that have not sent in their Passport fees in sometime, let's help the Chief reach his goal of \$40,000 to present at our Convention in Kansas City. I realize this is a lot for some of you Dogs but the health and welfare of your respective Pounds and Packs depends on the Kennel having up to date information, to remain under the Kennels tax exemption we need the information. The last thing any of us want is the IRS sniffing at your hind quarters.

I know this is short and not sweet but we just closed on our property in CT and are trying to settle in to our new state and home. Just coming over from the League side and making the transition from NVC to VCDD will no doubt cost me quite a few bones. This old Bloodhound is prepared to track down anyone who resists, please , let's get this done so we all can have some fun !

NE Barkings continued...

(cont. from pg. 7) Roll call of officers then took place with many being fined because they didn't know how to introduce themselves. The 45th and 49th PCDD were also in attendance and the New England Vice Chief Devil Dog. Worthy Pack Leader Manna then conducted the growl placing many fines during the process. At the conclusion of the Growl 4 dogs advanced to DD and one new Pup joined us. The dogs provided they were in condition to advance or join by conducting a jousting match using toilet plungers as lances. During the Good of the League I reminded everyone of the importance of their meeting their paperwork requirements and to do so on time.

A fun time was had by all.

Mid West Division barking all over the place

Woof woof to all Dawgs of the order. The DOG DAYS of summer will soon be on us. And with that comes the Supreme Growl which is what the dog days were made for. As you know the Supreme Growl will be in Kansas, which is in the Midwest Division. Dogs have been working hard and not biting each other in order to make this a Growl to Howl at.

Other Packs in the Midwest division have been busy. Kansas Pack is forming a new pound which will be called the Lenexa Pound. Paperwork has been submitted to the Honorable Dog Robber. I attended the Midwest division Spring Conference in Beatrice (that's Be a trice not Bea trice) Nebraska this past April. It was hosted by the Homestead Leathernecks. They did an outstanding job and they just formed their detachment 2 years ago. The Growl was hosted by Kansas Pack many big bones were collected as well as many laughs thanks to PDD Doc Holsey, Kansas Pack Leader.

This past weekend I attended the Grand Growl for Missouri which was held at the Sheraton Westport Plaza in St Louis. We had the pleasure of having Chief Devil Dog C.O. Smith and Honorable Senior Vice Chief Devil Dog Leonard Spicer present at the Growl. A check for \$2000.00 was presented to Rankin Jordan Hospital for children in St Louis. There were three dogs advancing to DD and the initiation was done by Missouri Pack Leader PDD Bob Reed. We also had DD Herb Brune, a dog from the Korean war era wishing to advance to PDD. That initiation was done by Chief C O Smith. Give a sniff at the pictures.

I think the snow is starting to melt in North Dakota, where I understand our Division Fall Conference and Growl will be held in 2018. Here's barking at ya, woof, woof.

Dog Trainer speaks from the heart

Blessings on You, Dogs of the Order

Well, I have been privileged to serve as your Dog Trainer this past year. I must say that one gets an entirely different perspective from sitting at the head table during our growls. My recommendation to y'all would be to seek an office and experience the feeling of looking at your fellow Dogs in mass from the front table ... its humbling and a bit scary too. I still can't believe that I was elected to serve as your Dog Trainer.

Since our last Woof-o-Gram I have received 20 Notices of Death from the membership. As I write the sympathy cards to the bereaved, I can't but think of the sorrow over the loss of their loved ones. I can only hope that the sympathy cards I write can in a small way remind the bereaved that someone else knew and appreciated their loved one.

I personally knew one of the Dogs who had passed. That was Frank Kish. PDD Kish was a mentor and a good friend to me. His wake and funeral, at Abraham Lincoln National Cemetery were both well conducted and well attended by several Dogs, Past National Commandants and a Past Chief devil Dog. In the picture below, Frank's ashes were carried by, (L to R), DD Olejnicki, PDD Barta and PDD Haines. We marched by cadence to place the urn for the ceremony.

We, as a group of Leaguers, would frequent meet at a favorite restaurant for food and fellowship. Frank would invariably tuck his napkin under his chin before eating. It became sort of a trademark with him. He was always a favorite among the waitresses. The next time we meet as a group we plan have a place set for Frank and in his memory tuck our napkins under our chins ... we may need the napkins for our tears.

I do not plan to run for another term as your Dog Trainer. Personal, health and financial reasons prevent me from doing so. This will be an opportunity for some Dog to experience the view from the front table and I trust that he or she will enjoy as much as I have. Thank You Dogs.

Woofings to all Dogs of the Kennel!

Yet another edition of the WOG for your reading pleasures. I certainly hope you enjoyed the Spring WOG which was the all-hands edition. So far, the returns have been less than usual. This means that every dog is working at making sure their mailing address is current with their Dog Robber. Thank you!

This edition will have two versions. One will be mailed. The other will be posted online. The reason for two versions is that for mailing purposes, it must have 32 pages of content. I don't have that much input for this. The online version will have more photos from around the Kennel than the mailed version.

Thank you for sharing your stories and photos of your Pound & Pack Growls and other events. These ideas are shared across the Kennel and make it fun for everyone. Carry on!

Central Division Dogs are trying to stay warm & dry

Woof Woof from Central Division,

Woof Woof Dogs

Summer is finally here. Yes I already have the raccoon eyes. The dogs of the Illinois Pack just had our Grand Growl and it was a howling success. The 57th Chief was aboard to oversee the festivities and impart his wisdom on the Pack. Congratulations to Pack Leader PDD Greg Baker not only being reelected to a second tour but also being named Pack Dog of the Year.

Many bones were collected for the 57th's hospital challenge as well as many bones collected in fines from the more rowdy Dogs in attendance. For some unknown reason Police Dog PDD Bill Barta seemed to hang real close to me the whole time. We also had a few Pups go to Devil Dog. Congratulations to new DD Brent Bacon for winning the coveted Golden Bone Award for being the best Pointer in the bunch.

As I write this I'm thinking about my upcoming trip to hang with the Michigan Dogs and do a little shopping at the Kennel Quartermaster's store. I'm sure they too will have a successful Grand Growl. I'm really looking forward to the ride to the U-P of Michigan.

I will be looking forward to seeing all the old Dogs and some new PDDs at the Supreme Growl in Overland Park in a couple months.

Until then,

Woof, Woof Rocky Mountain Division;

Devil Dogs of the Rocky Mountain Division, having passed through our Grand Growls let's ensure we send installation reports to the Kennel Dog Robber. I have enjoyed meeting all the Dogs of the Division well I traveled to each Grand Growl. Like to thank each Devil Dog for their gracious hospitality. Now it's time to turn our focus towards the National Convention and Supreme Growl. As stated earlier any advancing Dogs must have their paper work in by 1 July 2017 to the Kennel Dog Robber. Those that are going to advance I recommend they get there on Sunday as to get the initiation process started. For those that arrive early there are special drawings. As per our Kennel By-Laws all Pounds must hold their elections and installations within the 90 days following the Supreme Growl. I look forward to seeing all at the Supreme Growl and National Convention. Once again if I can be of any assistance please contact me.

Thank you.

South East Division can't wait to see you in Kansas 2017

Woof Woof, sniff sniff, scratch, scratch, scratch, scratch, lick, lick, sneeze!!!

Now that I have that out of the way, I need some petting. Any volunteers?

The Southeast Dogs are having fun and growing. We installed two new pounds this year and have another application pending at Kennel now. The two new pounds are: Jack Lucas Pound 376 in Hattiesburg, Mississippi and the Desoto Pound 377 in Bradenton, Florida. The pending start up pound is from Tennessee. I received a request this weekend that I will be working on, to assist in starting a new Pound in Dothan, Alabama. The more Dogs, the more Bones we raise for the children. Growth in the Southeast Division has been good this year. We now have Pounds in all seven states of the Southeast Division. **WOOF WOOF!**

I have had the pleasure of visiting several Pounds and Pack Growls this year. I did not make it all the way through the Southeast because of scheduling problems and other commitments, but I have communicated with many Pounds and Packs with plans to attend. The Southeast Division is attempting to ensure that the Department Conventions will be scheduled on different dates throughout the Division. Since Pack Growls are held during the Conventions, the Vice Chief will be able to attend more Pack Growls without scheduling conflicts.

I don't have a \$ dollar or Bone amount, but the Chiefs' challenge of collecting additional bones for our annual donation to the Children's Hospital is going very well. At all the Growls I attended, I offered the Vice Chief stamp to passports to enhance the amounts collected by the Packs and Pounds. Unbelievable participation and enthusiasm by most every dog, everywhere I went. At the Alabama Pack Growl this weekend, PDD Bill Miller (Georgia Pack, National Comptroller among other things) challenged all Dogs with a \$20 Big Bone donation after I explained the Chief's Challenge. Almost \$500 additional Big Bones were collected to go along with the passport stamp Big Bones. Thank You Alabama Pack and PDD Bill Miller.

This upcoming Supreme Growl is going to be great. If there is any way you can be there, you should. The camaraderie and fun at these Growls is exciting and exhilarating. Come meet, greet and mingle with Dogs from all over the Country. You will surely enjoy.

Kennel Lucky Dog wants you to buy tickets and WIN!!!

Woof! Woof!

Our paws are finally warm and traipsing through the long grass that doesn't seem to quit growing due to all of the rain we've been getting here in Maryland. I hope that all of you are enjoying the warmer weather and staying dry.

You all should have received your printed version on the Woof-a-Gram, which means you have access to lottery tickets. Save some time in Kansas City and get those tickets mailed into the Jr. Vice Chief now! If you don't I'll be helping PDD Hazlett sniff you all out to buy some at the Dog House!

I'll also have some nice raffles and a 50/50 at the National Convention, so be sure to have extra bones when you come see me!

Respectively yours, PDD Evie Remines, Kennel Lucky Dog

South West is soaking up the SUMMER sun

WOO/WOOF TO ALL THE CANINES IN DOGDOM FROM THE SOUTHWEST DIVISION!

A Hearty & Hot Woof-Woof from the sweltering Southwest!

This old Dog can't believe the weather. A couple of months ago we were having record snowfall in the Sierras and now we're having a record-breaking heat wave affecting the whole Division, with average temperatures well over 100 degrees! And it's supposed to last for two weeks. All a canine can do is find shade and hydrate.

I've had the privilege of attending (and donating a bucketful of bones) two Grand Growls of the Pack and three Pound Growls.

See y'all in Kansas in August.

Stay well and happy!

Southern Division Pantin' & Sprintin'

WOLF!! WOLF!!

The Rambunctious Worthy Dogs of the Southern Division have been pantin' and sprintin' across the Division attending the various Grand Growls scheduled this time of year. These "Dog Days of Summer" have us yelping and Growlin' to the best of our abilities. By the time this is published, Oklahoma and Arkansas's Growls are in the history books, and the Texas Pack is planning for their Grand Growl shortly. Texas is anticipating several sweaty Pups enduring the Grand Growl's shenanigans and entering the Level of Dog in Beaumont.

The Pedigrees of Texas will also be culling out and training those Dogs who will seek to become Pedigrees in Overland Park at the Supreme Growl in August. It is with slobbering anticipation that we hope to submit Texas's finest and well trained Dogs for their upcoming indoctrination to status of Pedigree.

As this will be my last Grand Growl as Division Vice-Chief, I am jerking at my collar to support and submit some Big Bones for the Chief's Challenge for the Children's Hospital donation. I am proud and drooling at the anticipation of the contribution by the Division's dedicated and worthy Pounds and Packs. Ready for a Howlin' good ole time in Kansas!!

I know it seems like all I do is whine and bark. Most of the Pounds and Packs are actually doing a good job and are to be complimented. I would like to take this opportunity to do that. **Thank you to all those that have read the by-laws and the Dog Robber manual and have made my job easier.**

The Supreme Growl is rapidly approaching. I hope to see many of you in Overland Park. From the number of PDD applications that I have received (105 as of 6/4) it looks like the turnout will be about average. If you have not made your travel plans yet the time is getting close! By the time you get this it will be too late to get your advancement application in. Sorry! See you next year in Buffalo.

At the Supreme Growl awards will be given out. To date I have virtually no submissions. I am very disappointed. It looks like no one in the Pounds think any of their Dogs do anything or are worthy of being recognized. This has been the trend over the last several years and I think it is pitiful. Awards are about the only way someone can be thanked for all of the effort they put in for the good of the Order. There is still time to get your submission in. They will be accepted until noon of the day prior to the Growl. Let's get those nominations in! Please make sure you follow the instructions in the bylaws on mailing. Otherwise the committee cannot consider the application.

Now for some good news, the top 6 contributors to the Passport Fund (SO FAR) are: **#370 NC \$2010.58, #333 MD \$1975, #204 MD \$1523, MD PACK \$1297, #001 NJ \$1067.50, #344 MD \$833. Their outstanding support is greatly appreciated.**

The new fiscal year begins July 1 and I will begin accepting dues renewals for the 2018 year at that time. All Dog dues should be renewed by September 1 to be in compliance with the bylaws. On Sept 1 I will drop from the rolls all Dogs that have not paid their dues for 2017. After that date you will be required to pay back dues and a reinstatement fees to get back in good standing.

I keep getting Installation Reports throughout the year. Elections and installation of new officers is to occur within three months after the Supreme Growl. If you are holding your election and installation at other times of the year you are in violation of the bylaws.

Passport fees continue to come in and they are much appreciated. To qualify for the fund this year they must be received by June 30. More Pounds and Packs are doing their job and sending in their bones. The children's hospital that is selected in Kansas will be very happy with the donation we are going to give them. Some Pounds and Packs continue to neglect this important area. I encourage each Dog to check with their Dog Robber and ask if he has sent in the required stamp fees. We want the donation to be the largest ever.

Mid East Dogs are out runnin' & gunnin'

Summer is here and I hope you all have enough water in your dog bowl and a nice place to stay cool. Our Pack Grand Growls have come and gone. Congratulations to my Pack Leaders on their election: PDD William Watson (VA Pack), PDD Bill Kelly (MD Pack), Mike McLain (WV Pack) and PDD Charles Minton (NC Pack).

The Mideast Division Growl was held on 23 June in Raleigh-Durham, North Carolina. It was a great time again this year and I was asked to lead the Growl. All the Bones collected were processed with the help of the NC Pack.

The North Carolina Pack celebrated its 25th Anniversary at their Grand Growl on 2 June and all the attendees received a 25th Anniversary Challenge Coin and a 25th Anniversary Patch was available for 5 Bones. It was a great time!

The MD Pack (Mer-lin Pack) is always exciting when their Pups have to Dog Paddle to DD and receive their Red Collar. It also included a great Dog Show this year where I was awarded best in class. PDD Bob Rossi, author of the Mer-Lin Pack WalkerY News, always adds some great award presentations.

The MD Pack was honored twice by the MCL Dept of Maryland. **FIRST:** The Dept of MD created an award named after our Honorary Chief Devil Dog (HCDD) Jimmie Lee Howard who passed away in 2015. **SECOND:** The Dept of MD chose one of its Dogs to be named the inaugural recipient. The 2017 **Jimmie Lee Howard Lifetime Achievement Award** was presented at the banquet to HCDD Jack Sevren (Pictured below with 57th CDD Smith, HCDD Severn, and PDD Reeling.)

I will be spending a lot of time in the NC Pack Dog House this summer (Ft Bragg area). While there, I even managed to get off my leash and head down to the South Carolina Grand Growl on 9 June in Columbia, SC. Thanks SC Pack for the hospitality and I was happy to bring the noise and pay a few Bones.

Send me stories for this article. What's going on in your Pound or Pack? What special events are you holding? I know we are doing great stuff, we just need to spread the word and share our stories with everyone in the Kennel.

I want to thank the Pounds that invited me to their Growls this past year and I look forward to seeing more of you at your local Pound Growls. You just have to let me know when and where.

See you all at the Supreme Growl in Kansas.

Jr PCDD has a lot on her plate

Woof Woof Dogs of the Order,

It has been a great year. In June I had the honor and privilege of representing the Kennel at the North Carolina Pack's 25th Anniversary Growl in Raleigh and installing their new officers. It was a great growl! Thank you to North Carolina Pack for your GREAT hospitality.

We continue to work on the Kennel website to keep it up to date and current. Thank you to all the dogs that have made suggestions for expanding the site. They are all being taken into consideration and being work through. Keep the comments and suggestions coming, this is YOUR website. It is my pleasure to work on this project.

See you all in Overland Park, KS.

Smart Dog has been traveling

Woof Woof Devil Dogs,

It has been an Honor and a pleasure to serve these last 2 years as your Honorable Kennel Smart Dog. It has been a great learning experience which I plan on using that knowledge in the future to better the Order.

During the Kennel Staff Growl in March a new version of the ritual was proposed and passed. Please familiarize yourself with the changes. We did not try and change everything, just a couple of points in the oath that should make recruitment of new Dogs a little easier.

Senior PDD's, please do some training with your Devil Dogs that are headed to Overland Park for Advancement to Pedigree Devil Dog. Make sure that the Dogs know how to report. All training performed by you will make their handlers job that much easier. Since the 77th Supreme in Tulsa I have attended a total of 19 Growls including a very spirited South Carolina Pack Growl. I also had the privilege of attending the North Carolina Pack's 25th Anniversary Growl. I look forward to an outstanding 78th Supreme Growl in Overland Park.

Operations Dog has some great advice for you

Woof - Woof All Dogs,

If you are planning to go to convention in Kansas to advance to Pedigree, be sure your paperwork is submitted to your Dog Robber in time. Also, bring a copy with you. It may prevent you from wasting the trip.

To all Dogs, please be sure to have in hand your Cover, Passport, Dog-Tag, MCL and MODD ID cards, MCL Convention Registration credentials, and exactly Six Big Bones.

Also, allow bones for purchases such as Convention Coins, Raffles, Ship's Store items, etc.

Having fun is a priority. Do not let anyone, or anything, rob you of that.

PDD Ray Carrier

Kennel Operations Dog

Greetings to all you Magnificent Mastiff's of the Military Order Of the Devil Dogs.

As you know the leadership of our beloved Kennel is about to change paws. This could be an exciting and precedence setting election. I have never been a big fan of the chair system, (which puts me in the minority) that precludes a hard charging Devil Dog, that is not an elected Officer, and thinks that he or she can benefit the Kennel, an opportunity to be nominated for any of the 7 elected positions.

Years ago we had a PDD out of the PA Pack (God rest his Soul) who would run for an office and never get elected, except for one year, when the membership decided to give him a shot. I guess what I'm trying to say is, we should all follow our dreams and get up on our hind paws and alert the membership of our intentions. Remember Devil Dogs there's not an iota of shame in losing, as we are the Fun & Honor Society of the Marine Corps League. We should let our actions speak to our abilities.

Many kudos to the 57th Chief Devil Dog as he trots off into the sunset. Under his leadership the Kennel's financial status has greatly increased, all to the benefit of the children, and other worthwhile charities. Chief Smith and his lovely Bride, have logged thousands of miles in his trusted pick up, to go across this great Country, and attend many, many functions, representing the Military Order Of Devil Dogs.

Oh and by the way, the 57th must have a gigantic Bone locker, as no matter where he goes, Devil Dogs never tire of attempting to get into that BRAVO-LIMA, to which CHARLEY OSCAR happily surrenders, as he knows it's going to a good cause.

In closing I want to say BRAVO-ZULU to all the contributors of this outstanding periodical, as it is great to read how our Brothers & Sisters are doing thru out the Kennel. Of course none of this would be possible without the many efforts and professional capabilities of our hard charging Kennel Barking Dog, PDD Randy Ott.....WELL DONE SIR !!!!!

It's an Honor to be a Devil Dog,

Woof-Woof,

PCDD Bill Taylor

Kennel Veterinarian Howls

As the Kennel Veterinarian, I believe it's important to pass on information that can be helpful concerning medication. During the recent WV Pack Growl during the Department Convention in Charleston, WV there were several Growl attendees from Ohio, North Carolina and Virginia. One of the members from Virginia had multiple medications to take. His wife would always get his medications ready as his eye sight was terrible and he often went into the wrong restroom. The Growl started at 7 PM and he was used to taking one half of a Viagra tablet about that same time. It had several effects on him as he quit peeing on his feet and it kept him from rolling out of bed when he slept. When the Growl started, he was not there so we called his room and his wife said that she made a mistake on his medication and he could not get his trousers on. She explained what happened in more detail and stated that he was determined to be at the Growl. We got a wheel chair and went up to his room to offer some assistance. We just threw a sheet over him in lieu of trying to get him into his trousers and got him to the Growl. His dilemma made us realize just how valuable walking point was. The morale of the story is to be sure that you take the proper medication as pointed out on the label.

To liven up the Growl, all the Pups had to serenade the DDs from a song made up just for the occasion. This brought back memories when most of the Pups had day jobs and their cries of joy left us all wanting. Another song was made up based on historic events in Marine Corps lore that the DD's used to entertain everyone. Their rendition of the locations mentioned in the song brought pure delight to everyone and we wished they took their show over to the local humane society and mingled their howls with the real dogs. These guys could scare some animals out of the woods if you took them with you hunting. The Pack Leader was so excited and overcome by the songs, that he fined himself several times, fined everyone who did not enjoy the tunes, and fined those who did sing more so he could get his hearing aid repaired. The real good news was the visitor from Virginia was able to walk back to his room as the songs made him lose his momentum. That's my story and I've sticking to it. Let's keep the fun in all we do, enjoy the banter and humor we create, and live among the greatest warriors our nation has produced. We'll see you in Kansas so bring your medicine along, and take it on time.

Woof,

Roger Ware

DEVIL DOG'S CREED

By PDD George E. Williams

I am an American, I was born in France. I hold the title of United States Marine, and understand the commitment of holding the title, Devil Dog. It is a tradition born at Belleau Wood in the year 1918, of a force in readiness and the "First to Fight." As a Devil Dog, I ask no quarter and give no quarter. I will do everything in my power to uphold the objectives of the Military Order of Devil Dogs and to carry out my duties to a swift and satisfactory completion.

Good night, Chesty, wherever you are!
