MILITARY ORDER OF THE DEVIL DOGS WINTER EDITION 2017

"It's an HONOR to be a DEVIL DOG!"

A WHISTLING FROM THE 57TH CHIEF DEVIL DOG

WOOF, WOOF to all Dogs of the Order,

BR-R-R! This dog's freezing paws need boots! I am getting ready for a long winter's nap...wishful thinking, of course. There is always something to be done, not just for me, but for all of our membership.

If you want an example of selfless service, you only need to look to PDD Jeff Jones, our Kennel Junior Vice Chief Devil Dog. A call came out last month that PCDD George Barrows needed a wheelchair ramp at his home. Within a week, PDD Jones and a couple of his buddies completed the job. Thank you, PDD Jones, for a job well done! Look for pictures of the project in this newsletter.

My regular romps have taken me to the east coast again. In November, I celebrated the 241st birthday of the United States Marine Corps at the Marine Corps Memorial in Arlington, VA. In the afternoon, I attended a birthday celebration at Bobby Van's Steakhouse in downtown DC. The following day, I attended the National Veterans Day Ceremony at Arlington National Cemetery where I had the honor of participating in the wreath laying along with MCL National Commandant Richard Gore, Kennel Executive Director PDD Tom Hazlett and MCLA National President Karen Aune. What a truly humbling and unforgettable experience!

I stayed home in December which allowed me to help with our local Toys for Tots effort. We found that the need has grown significantly as we had to shop for additional toys twice. In a few days, I will be assisting with my detachment's annual party for Marines and FMF Corpsmen at the Illinois Veterans' Home in Quincy where we play a Marine trivia game, sing carols, eat cookies, hand out gifts, and socialize in our attempt to brighten the holidays for our aging veterans.

The Order is growing in Pounds if not in numbers. I would like to welcome several new Pounds: Treasure Valley Pound 270, ID Pack (reinstated), Pioneer PD 373, OH Pack, Lyle Gillette Pound 374, MT Pack, Surprise Devil Dogs PD 375, AZ Pack, and Jack Lucas PD 376 in MS, whose Charter has just been approved. Woof, Woof! The December Kennel Roster shows a total of 5,918 members, which does not yet include any new members of PD 376. Let's all work hard to get that number back up over the 6,000 member mark!

Plans are in progress for the Mid-Winter Mini-Growl to be held in conjunction with the Mid-Winter National Staff Conference at the Hospitality House & Conference Center in Fredericksburg, VA. The growl will be held on Friday evening, 3 March 2017. This is the only opportunity for DDs and Pups to attend a Kennel growl. (Cont. pg. 3)

Woof Woof Dogs of the Order,

To all hope everyone had a successful Toys for Tots Campaign and got a lot of recruiting accomplished also remind the old Dogs why they need to stick around while playing with the new chew toys.

I've been very busy balancing my Dogdom and personal life, so I'm not going to bore you with all the usual Barks. Dogs just continue to recruit and retain. Keep forging ahead, stay on task and have fun doing it. I'll see you at Mid-Winter.

Jr. Vice CDD has some bones to raise

Woof, woof to all Dogs across our Great Country.

I do hope you all had a great Thanksgiving, and that you all survived the madness of shoppers as they went out on Black Friday, and Media Monday to spend those Big Bones. Hopefully we all will have plenty Big Bones left for the Mid-Winter Mini-Growl. I do hope that all you Dogs, your families, friends and loved ones had a safe, and very happy holiday period.

Hopefully Santa Dog brought you everything you wanted for Christmas and that good health and happiness were shared by all. Because this is being written as I put together the Tree of Lights, I am reminded over and over through the donations received of all of the losses that so many have faced this year.

For all of you that have had to suffer through the loss of a family member or a best friend or loved one, my thoughts are with you and I hope that your sadness can be erased by the fond memories of them.

I know that many of you Dogs also get very involved with your local Toys for Tots programs that provides so much joy and happiness to the less fortunate. My thanks go out to you for all the donated time you spend in helping children. (Continued pg. 5)

Get your hotel reservations ASAP if you have not already done so.

We now have two new sections on the Kennel website: a Roll Call page with a scroll of recently deceased members and an Initiates page that lists those who have submitted paperwork for advancement at the 2017 National Convention. Thanks to HCDD Jack Severn for the great web graphics and to PCDD Leanna Dietrich for her expertise as Kennel Webmaster. As a reminder, please make sure that a Death Notice is submitted through proper channels for any members who have passed.

In addition, if you have submitted your application for advancement and don't see your name in the list, contact your Pound and Pack Dog Robber to make sure they followed through with them. **Applications must be in the paws of the Kennel Dog Robber no later than 01 July 2017...NO EXCEPTIONS!**

Remember to keep me in the loop.

It is truly an **HONOR** to be a **DEVIL DOG!**

Mad Dog wants you to plan ahead

It seems like just weeks since we gathered for the Supreme Growl in Tulsa, enjoying the camaraderie and watching another group of DD's prove their mettle as they worked towards Pedigree Devil Dog with their platoons. In reality, four months have already flown by since then and time isn't slowing down as we transition into 2017. So, as we close out 2016 I hope all you Dogs are doing well, wherever you may be and that 2017 is a howling good year for you!

Before we know it, we will be packing our dog bowls to travel to Overland Park for the 78th Supreme Growl and to watch a fresh batch of DD's shoot for PDD. So, before it sneaks up on us I ask the PDD's out there to assist the DD's as they prepare for this next venture in the MODD. DD's hoping to advance, bark with your Pound Dog Robbers well ahead of time and start the paperwork and keep a signed copy to carry with you to Overland Park.

Barking of advancement paperwork, the new "**Application For Degree Advancement To Pedigree Devil Dog Processed By The Kennel Dog Robber Verification System**" (my unofficial name for it), or **AFDATPDDPBTKDRVS**, is now up and running. Once the Kennel Dog Robber receives and processes a DD's Application for Advancement paperwork, that DD's name and information will be posted on the Kennel web site.

Therefore, every DD planning to advance, as well as, their Pound and/or Pack Dog Robber should go to the Kennel website and verify that the paperwork has been received by the Kennel Dog Robber prior to July 1st. The first batch of applications has been received, processed and posted by the Kennel Dog Robber so, this is a great opportunity for every dog to familiarize themselves with the system now.

Go to www.moddkennel.org and put your cursor over "GROWL INFO" at the top of the page, then scroll down and select "Supreme Growl Advancements" and it will take you to the postings which shows the name, dog tag #, pack and pound of those DD's whose paperwork has been received. Once submitted, wait a couple weeks, then go to the site and verify that your paperwork has been processed before heading to Overland Park expecting to advance to PDD.

You can still bring a copy of the signed paperwork with you, just in case a dog eats your original between the time the Kennel Dog Robber posts it and you sign in at the Dog House. If your original goes missing, but you have a copy with you it will cut down on your time waiting in line at the Dog House. On the other paw, don't show up with a copy of signed paperwork expecting to advance if the Kennel Dog Robber never received the original and it wasn't posted, you now have a way to verify receipt. While a simple system, it is new, consequently if you have questions your Pound or Pack Dog Robber should be able to help you.

If any PDD's feel up to the challenge of being a Handler, Assistant Handler or Monitor, email me at gunnysanning@gmail.com and let me know your interest and include contact info. I may be slow responding as I am currently working through some medical issues that limit my time on the computer, but I will contact you back!
Hope to see some of you at Midwinter!

Police Dog "Santa" is very busy collecting toys & fines

WOOF WOOF!

This will be a brief communication due to my duties as the Toys for Tots Coordinator for my Detachment; I am sure that many of you can relate to the all-consuming tasks involved in running a campaign.

I would like to wish each of you a Merry Christmas with the sincere hope that this Holiday Season brings you Great Joy and many new memories. Let's make 2017 another year of success for our organization!

As each of you spends time with your families, please remember all those serving overseas (protecting our freedoms) who could not be with their loved ones this holiday season.

Looking forward to the Mid-Winter Conference's Mini-Growl on March 3, 2017 in Fredericksburg, VA.

Kennel Police Dog
PDD Rodney Hoffman

Jr. Vice CDD continued from page 2

(Continued from pg. 2)

Speaking of helping children, I sure hope your Pounds and Packs have been going overboard in collecting those Passport Fees and fines specifically for the children who we help each year during the National Convention and Supreme Growl.

I know that many of you are doing your very best to knock off that Merlin Pack so they don't once again take home the trophies. If you want to contribute to the Mini-Growl please let me know your thoughts and ideas so that I can work them into the Growl. I look very forward to the opportunity to see all of you Dogs at the March Growl and once again I wish you all great health and Happy Holidays!

Please remember our Veterans, regardless of what branch of service, they are all Veterans and deserve our help. Keep in mind those Marines who are deployed and unable to be home with their loved ones. Pray for their safety and ask our Supreme Commandant to watch out over them and their families.

Dogs, it has been a wonderful year and I look forward to 2017; be safe, and be happy. Remember, if you keep it fun, they will come!

As Always, I remain Semper Woof!

Kennel Executive Director has something to share

Woof Woof all you Karniverous Kanines;

Your Packs and Pounds need you. The Order and its' entities cannot function without your input and sense of humor. The leaders of your Packs and Pounds cannot make growls fun and productive without you.

Now, I am not saying that you need to attend every growl, but try to make every growl you can. Your opinions are valuable and can only help strengthen your organizations. Should your circumstances allow, help your organization by taking an Office or chairing an event.

In addition, your attendance at growls will help increase the annual donation to the Children's Hospital at the National Convention and Supreme Growl week.

Speaking of which, did you know there is an annual competition regarding funds collected via the passport stampings? The Kennel Dog Robber keeps track of all donations made during the fiscal year. We have two traveling trophies that are displayed at midwinter and the National Convention that shows which Pack and which Pound were the top donors for the year. The winning Pack and Pound also get a "trophy" to take home for their displays.

Can your Pack and Pound win this year? I warn you, there are several Packs and Pounds that go above and beyond in collecting bones each year for this recognition. **IF** you want this, you have to work hard to earn it. There is plenty of time prior to the end of the fiscal year to be Number One.

I hope you all have (or had) a great holiday season and am anxious and frothing at the mouth to see you at midwinter in March.

Many Barkings from the New England Division

On the 18th of September I attended the CT Pack growl in Brooklyn CT. I always thought that Brooklyn was in NY. It took 2 ½ hours to get there from NH, thank goodness for GPS. CT Pack Leader Pack PDD Jack Savage started the growl promptly at 13:00 with 19 dogs in attendance. The growl was started with the reciting of the Devil Dog's Creed. Most of the dogs were then fined for just moving their lips pretending that they knew the creed by heart. PCDD Fisk was in attendance and maintained good decorum.

I on the underhand being a guest from New Hampshire was fined simply because I said Pack of CT instead of CT Pack. PDD Larry Herrmann arrived late because he said he couldn't find the location of the Pack Growl. There were some questions about Larry stopping to quench his thrust. I was asked about my scar from the heart surgery which I displayed. Larry stated he was glad it was scar form heart surgery rather than a scar from a circumcision. PDD Sal Sena discussed interest about making a bid for the 2018 National Convention.

PDD Jim Alexander organized a trip to Gettysburg for the members of the CT Pack and Department of CT for the 23rd, 24th, and the 25th of September. We meet at the VFW and it was 17:10 by the time we arrive at our Hotel. In the evening, we went to a historic inn for dinner. After dinner, we walked around town which was very pleasant. On the morning, we took a tour of the battlefield with a guide which was very interesting. The afternoon was spent visiting the Gettysburg museum which had very interesting displays. During the evening, we went to a great restaurant were General and Mrs. Lee made a very interesting presentation. The next day (9/25) we toured the Eisenhower Farm and then returned home. Great trip and enjoyable time spent with my fellow dogs.

New England dogs continue to support various programs assisting veterans. One of the programs is delivering cookies to homeless veterans having delivered 408 boxes during the past few months. Also, visited hospitalized veterans in the local VA hospitals. Unfortunately, a long time member of the Devil Dogs, PDD Orville Anttila, passed during the past month. An outstanding memorial service was conducted by the MA Pack dogs and other members and some of us also attended the grave side services. I have been attending my cardiac classes as they continue to try and find my heart. Participated in a VFW sponsored event representing the Devil Dogs in raising funds to sponsor supporting 10 Vietnam veterans in a reunion. Another activity I'm pleased to participate in along with other New England Devil Dogs are Eagle Scout Ceremonies throughout the area.

At the end of October I attended a growl conducted by the Chinook Pound Keeper PDD Mark Lindsley who did a lot of barking and finning. NH Pack Leader, PDD Cherie Monnell monitored the growl to make sure that it was conducted correctly. That didn't concern Mark as he conducted it as he though it should be not according to what someone wrote in a book. PDD Joe Shea was kept busy running around collecting fines and the scratching were recorded by PDD John Finck as he thought they should be not what took place.

It's that time of the year and I'm now busy placing Toys for Tot boxes in various stores and business in the area. They will need to be collected in bout 6 weeks. During the quarter represented the Devil Dogs at various veteran's functions at the VA facilities in the area. Participated in the color guard representing the Devil Dogs at USMC birthday functions one of which was raising the USMC flag over the NH capital on the 10th and at the luncheon at which there were about 200 Marines in attendance. (Continued on page 9)

North West Division...12th Dog in the Kennel

Many woofings to dogs of the Kennel,

During the last quarter the Northwest Division has gained two more Pounds. Congratulations to the Lyle Gillette Pound 374 in Butte Montana who received there Charter in October 2016. Also, Congratulations to Treasure Valley 270 in Boise ID who will receive there charter in January or February after the Christmas season and Toys for Tots is completed.

The Pound in Idaho is reestablishing after disbanding for over 7 years. A lot of hard work was done by our Devil Dogs in Montana and Idaho to make this happen. Membership in the Northwest Division is holding strong and we are looking for new dogs to join throughout the Division.

Now is the time to get your advancement paperwork into the Kennel so that you are assured that you are put on the roster for advancement to PDD this August in Kansas.

This is all for now from the Northwest Division have a Merry Christmas and Happy New Year to all the Dogs.

Southern Division Dogs did it right in TULSA! They are still recovering.

NE Barkings continued from page 7

Also during this week joined other Marines representing the Devil Dogs putting the storm windows in for a 98 year old Marine. Visited veterans at the VA hospital and wished all Marines a happy birthday. Attended the Marine Corps birthday celebration in Boston with about 2000 other Marines. During the past quarter representing the League and the Dogs at 8 to 10 Eagle Scout ceremonies. Our attendance at these ceremonies are always well appreciated by the scout his family, friends and the troop.

Participated in a USMC birthday ball in Rochester, NH representing the New England Division of the Devil Dogs. As always had a great time. On the 10th of November participated, as I do every year, in the raising of the USMC flag over the NH state capital. The League and Dog members honored veterans on the 11th of November around New England in various ceremonies and in fact the League lead the ceremony in NH.

FROM THE DOGS IN NEW ENGLAND TO ALL MARINES, MAY YOU HAVE A VERY HAPPY HOLIDAY AND A GREAT 2017

After receiving many compliments and suggestions on the W~O~G, I've decided to change a few things. I'm hoping you've noticed the change in font type and size. The main purpose of this change was to make it easier to read for our dogs.

The next big change was to outline each article. This should make reading easier and less confusing. Also, I've cleaned up photos to enable them to be less pixelated and more clear.

Lastly, I want to thank every dog for getting their change of address to their Pound Dog Robber as soon as possible because this saves the Kennel money from return postage fees.

Please put the following date in your calendar for the SPRING W~O~G deadline:

March 31, 2017

This will be the all Kennel Mailing with the Jr. Vice Chief's Sweepstake Tickets and the proposed Bylaw amendments as submitted by dogs of the Kennel. Any dog can submit an article to the WOG. You can send it directly to the Kennel Barking Dog at kbdmodd@gmail.com

Mid-West Division still barking and howling after all this snow

Woof woof to all Dogs of the order.

The Midwest division has been busy these past months. The Midwest Division fall conference was held in Jefferson City MO, the growl had 35 dogs present. 170 big bones were collected in fines from some of the more rowdy dogs.

MO Pound 66 held a Bar-B-Q fund raiser which netted 1009.00 big bones. 1000.00 big bones were donated to the Shriner's children's hospital and another 1000.00 was donated to MO Pack to go to the Kennel.

MO Pound 86 will be hosting the Grand Growl this summer with donations going to Rankin - Jordan Children's Hospital.

Iowa Dogs are busy doing flag presentations, flag history and flag folding to grade schools in their area. They serve meals on the 1st Thursday of the month and breakfast on the 2nd Saturday. Color Guards and Honors are done when requested.

Kansas Pack will be hosting the Spring Conference to be held in Beatrice (Be-atrice, not Bea-trice) Nebraska.

South Dakota will have snow until June.

Pictures below show certificate of appreciation presented to Dave Sinclair Buick GMC for allowing the use of their lot for the fund raiser. And the Bar-B-Q on the right.

That's it for now, hope to see record attendance at the next conference.

Central Division Dogs are trying to stay warm & dry

It looks like the end of riding season. I did get the honor of delivering a Charter to a brand new Central Division Pound. The Pioneer Pound #373 in Marietta, Ohio. Congratulations to the Dogs of the Pound and the Worthy Ohio Pack Leader. Good job Ellen.

Pound #12 in Burbank Illinois hosted a Pack Mini-Growl Where I had the chance to assist the 57th Chief with the PDD upgrade of DD Michael Szula of Pound #117 Illinois Pack Under the Korean War Veteran Clause.

If any Central Division Dogs have something going on, let me know. I hope to see all of you at the Division Conference in March in Richmond, Indiana.

Hopefully, all of our Pounds have their Officer Installations done and submitted to the Kennel. Also, if you haven't done so already, get your 2017 dues paid.

Rocky Mountain Division...Let the games begin

I am hoping you Dogs had a great Thanksgiving and a Merry Christmas. As we look into the New Year let's ensure we take care of all of Pound and Pack requirements (Installation Reports, Incorporation and 990). Ensure all your Dogs have paid their Membership dues as well. I like to ask each and every Dog to be on the look out for those new members for the Kingdom.

Let's start the year with a bang and watch our membership numbers grow. Last Year at the National Convention the Rocky Mountain Division was on top with their numbers, however a couple Divisions are looking to knock us off the mountain top. Lets not let them. As I stated last WOG the Chief has challenged all Pounds and Packs to add 1 Big Bone per member into their Pass Port Fees.

The Maryland Pack is sitting at the top of the Mountain alone right now, and they as well have challenged the remainder of the Packs to send in as much Pass Ports Fees as they do. Remember this is the Fun and Honor Society, as well we are about Kids. Let's help make this Check at this upcoming National Convention and Supreme Growl one that we all can be proud of. Thank you one and all for all you do.

South East Division can't wait to see you in Kansas 2017

Southeast Division December 2016

Many Dogs in the Southeast have been busy starting new pounds and recruiting new pups. Our goal remains to get all Pounds and Packs incorporated and an up to date EIN number. Please check the status of both for your Pound and Pack. If you need help getting established or renewed, call or e-mail me and I will guide you through. I have just completed getting the Bulldog Pound #184 in Mobile up to date with their status and started two (2) new pounds; one in Pensacola FL and one in Hattiesburg MS.

The Pensacola Pound has completed all the necessary requirements for incorporation and they have their EIN. Jack Lucas Pound #376 in Hattiesburg MS just received notice that their charter has been approved and are waiting on the actual charter to be sent. With the creation of a Pound in Mississippi, we can now be referred to as the Magnificent Seven Devil Dogs. All seven states of the Southeast now have Dogs!! Oooorah!

This is one of the busiest times for paperwork for our Order. Please make sure all installations reports are sent in and all advancement paperwork is properly filled out. It is imperative that you provide us with all your contact information, including and especially your e-mail address. In this age of electronic communication, everyone should have an e-mail address. If you don't, please check into getting one or piggyback off of someone that does have one. Let them be your personal secretary.

Communication is very important to us all and the most efficient way is via e-mail. A notice can be sent to everyone within minutes via e-mail where it could take hours or days via phone or snail mail. It saves on postage, paper and most of all time. If you are an officer within the Order, you need e-mail.

Have a great and Merry Christmas, Happy New Year and be safe especially if you are traveling.

As I'm writing this, the dogs living in the Mid-East Division are planning for a rush of arctic air to really make it feel like winter! This pup will be shivering nonstop so if you're looking for me, I'll be bundled up until spring.

I hope all of my doggies out there have a great Christmas, Hanukkah, Kwanzaa, Geól or whatever you celebrate at this time of the year. 2017 is looming over the horizon and I hope it's a great year for everyone.

I look forward to seeing you at the Mid-Winter conference in March.

Our benevolent Dog Trainer barks

Greeting all ya' all Dogs,

Since I became your Dog Trainer I have received a total of 24 Notices of Death for our fallen brother and sister Dogs. That, in itself, is a significant number. However, I received a list from Dog Robber Joppa, which, showed a total of 43 including 8 of the 24 that I had received. Confusing I know, but my point is that we are losing Dogs and some of us are getting grey around the muzzle. While my primary function is sending sympathy cards to the next of kin of Dogs who have passed, I also have a concern about our membership numbers.

I have a good friend of mine who recently went on a campaign to recruit Dogs from a 150 member Detachment in Illinois. He is a member of this Detachment. He made a pitch handing out 12 applications for membership in the Dogs. As of this date 8 have joined, some of whom were sworn in at a Detachment and Pound picnic this summer. Perhaps, as Dog Trainer, my job is not to push recruiting new members, but on second thought it should be all our minds to be involved with filling our Pounds with new dogs. A word of caution: not all Dogs are good Dogs therefore, be diligent but also be selective.

Woof/Woof Devil Dogs! Out here on the Left Coast we are finally getting some rain. And some snow in the mountains! Wish I had more to share, but we've been busy with the wild fires and drought for the past few months.

Dues transmittals continue to come in at a moderate pace.

The bylaws say that all renewals are due on September 1. If you have not renewed your dues for the 2017 year you may not legally attend any growls or participate in any MODD activities. Please get your renewals to your Dog Robber so they may be transmitted to Kennel and you can hold a current membership card.

Dog Robbers: please contact your members and get the transmittals in promptly. New applications for membership are down from previous years. If you have quality members in your Detachment invite them to become members of the MODD. We are always looking for "good Dogs".

Elections and Installation Reports are required to be completed by mid-November. Attached is a list of those reports for each Pound and Pack. If your Pound or Pack does not show 2017 in the date field please get a copy submitted right away.

Passport stamp bones are to be collected from each member in attendance at a growl. Attached is a list of the bones received so far this fiscal year. If your Pound does not appear on the list it means that no bones have been received. Please collect the bones at each growl and submit them promptly. The bylaws require them to be submitted after each growl.

IRS 990's were to be submitted to the IRS by the middle of November. (If the fiscal year you are using is July to June). If your Pound or Pack has not complied you need to get it done. You stand to lose your nonprofit status if you do not comply with the IRS regulations. Send the IRS notice of filing to me so it and your EIN number may be recorded.

The IRS is making a big push to shut down non-profits that do not file. If you do not have an EIN number you need to get one and send the number to me so we can get you on the list of MCL subsidiaries and registered as such with the IRS. Noncompliance may result in taxes being imposed on any income as well as severe penalties from the IRS.

There was a new bylaw passed at the Supreme Growl requiring each Pound to be incorporated in your state. If you are not incorporated you need to contact your Secretary of State and become incorporated. Renewals are required each year and that information needs to be sent to me so it may be recorded. Failure to do so will result in fines being imposed.

We are all looking forward to the Mid-Winter Growl in Virginia in March. I hope to see many of you in attendance. (continued pg. 15)

After you have made sure that you have complied with all of the above you can go back to your nap by the fireplace and make sure the food and water bowl are close by so that you do not have to exert yourself too much. Have a Merry Christmas and I wish each and every one a joyous and prosperous New Year.

Mid-East Dogs are very busy

Winter is here and I just got new tires on my AWD Dog Sled. Hope you all are prepared for whatever Mother Nature sends our way this year. The Dog Sled I running up the miles getting out to visit you all in the MCL & MODD. The Jessie O. Price Pound 210 of the NC Pack invited me to attend the elevation of one of their members from DD to PDD on 15 Oct. It was an honor to participate in the ceremony for PDD Santino H. Mazzu and the chow was great.

There were an awful lot of sound effects permeating the Growl environment. Congratulations to both Pound 210 and the NC Pack for publishing great local area Woof-O-Grams. If your Pound or Pack publishes a local Woof-O-Gram please send me a copy. I'll be spending 3 weeks at Ft Bragg for work in Jan/Feb and hopefully I can meet a few more Dogs while I'm in the NC AO.

I've been on a couple great trips with the Dogs of Dog Patch Pound 333 & the MD Pack. In one trip we visited Parris Island, Camp Lejeune, Camp Geiger and MCAS New River. We just missed the Pole Dancing Float in the Jacksonville Christmas Parade. On 10 November we headed north to Philadelphia and Cookies Tavern for the Marine Corps Birthday Celebration. Definitely a bucket list item for any Devil Dog.

After spending so much time with Pound 333, they saw fit to elect me as the Pound Keeper this year (Photo below). They don't know what is in store for them as we compete to donate the most Bones to the Passport Fund in 2017.

Finally, I need to issue a warning BOLO to the Southeast Division for PDD Jim Brady of the Mer-lin Pack. He is one of our Division's finest and we wish him well as he moves down south (no take backs). Jim was the inaugural recipient of the coveted Mideast Division Blue Falcon Award and he is looking forward to passing the torch to the next worthy dog.

I look forward to seeing more of you at your local Pound Growls. Don't forget the Mid-Winter Growl is in OUR backyard here in Virginia. No excuse not to attend the festivities on Friday night! Pups, DDs & PDDs are ALL invited.

Semper Barking,

PDD Craig P. Reeling, VCDD Mideast 443-477-0670 Craig.Reeling@MarylandMarines.org

Woof Woof Dogs of the Order,
The Kennel website is a true example of TEAM.

The Kennel Quartermaster and her staff are working on their pages to update the pictures and pricing, that is not an easy task.

Two new pages have been added to the website; "Roll Call" and "Supreme Growl Advancements".

The "Roll Call" page is a tab off of "Home" and is a listing of all dogs we who have reported for their final muster since the Supreme Growl in Tulsa. All names will remain on the page for a minimum of twelve months. If you know of a dog who has passed, please check with your Pound Dog Trainer and Pound Dog Robber to ensure a Notice of Death has been forwarded to the Pack and Kennel.

The "Supreme Growl Advancements" page is a tab off of "Growl Info" and is a listing of all dogs whose advancement paperwork has been received by the Kennel Dog Robber. If you are planning to advance and your name is not listed your paperwork has not been received by Kennel.

HCDD Severn, our Kennel Artist, did an outstanding job on the artwork, there was not hunting the internet for that artwork. PDD Joppa, our Kennel Dog Robber, forwards all the information when it arrives at his Dog House. A special thanks goes to Chief Devil Dog Smith for encouraging the staff to develop these pages.

The next web project is reworking the current forms on the Kennel website to correct the fonts, missing fields etc. There are several dogs in the Illinois and North Carolina Pack who have reviewed the current forms, compiled a list of discrepancies and have volunteered to test the updated forms prior to posting them on the site. The goal is to have these forms posted on the website by Mid-Winter.

None of the new updates would have been possible without TEAMwork. Thank you all for your dedication to the Order. Looking forward to seeing all the dogs at the Mid-Winter mini growl in Fredericksburg, VA.

Woof Woof,

Smart Dog shares a story of Hope & Goodwill

Woof Woof Devil Dogs,

I would like to wish all of you a Merry Christmas and a Happy New Year. I look forward to seeing ALL Dogs that can attend the Mid-Winter Conference the first weekend in March. We will have a Howling good time at the Mini-Growl on Friday evening 3 March.

If there are any changes to the Bylaws that you feel the Kennel should consider, there is a proper procedure that must be adhered to:

Section 1301 - Method of Amending

—All Devil Dogs, Pounds and Packs may seek to revise repeal or amend these Bylaws by submitting their proposals in typewritten or legible form, using the exact wording intended for the change, to the Honorable Kennel Smart Dog no later than 15 March prior to the opening date of the Supreme Growl of the Kennel at which their proposals are to be considered. All proposals must contain the identity of the maker or submitter, otherwise they will not be considered. The said notice shall include the proposed changes to the Articles, Sections and Paragraphs to be revised, repealed or amended.

This past Quarter I have had the pleasure of attending 4 different Pounds for a total of 6 Growls. I participated in 2 different Officer Installations. On October 15th, I with the help of VCDD PDD Craig Reeling and WPL PDD Bruce Rakfeldt had the Honor of advancing a WWII Marine to the Degree of Pedigree Devil Dog. PDD Sandy Mazzu is a member of my home Pound 210 from the North Carolina Pack (Photo below).

On the Sunday before Thanksgiving I received an email requesting some help. The 50th Chief Devil Dog, George Barrows, had returned home from a stay in a rehab facility in Jacksonville, NC He was having trouble gaining access to his house. So Thanksgiving weekend myself with the help of PDD Rick Thomason of Pound 210 and Pup Steve Tracy from Pound 370 built the Past Chief a ramp that enabled him to enter and exit his house and also rebuild his strength through exercise.

Remember, we are the fun and honor society of the Marine Corps League. If you make it fun they will come. It's Honor & a Privilege to be a Devil Dog!

(RIGHT:) North West Division VCDD, PDD Bonnie Holden (L) was finally tracked down by PDD Jim Brown (R) to present her with the Past Chiefs' Society Award of Excellence, after she missed out on the MODD Luncheon in Tulsa, OK. Congrats Bonnie!

On October 8th Dogs of Central MO Pound #77 marked the 427th Anniversary of their original Charter by sharing cake and memories. Dogs also enjoyed watching Mad Dog, DD Steve Baskette run Darren "Bear" Reuter (L) and Rachel Sanning (R) (Pound Keeper/Kennel Mad Dog's daughter) through their paces to become Pup's. Both seen here sharing their pride as they recite the "Boneman's Creed" Submitted by the Kennel Mad Dog, PDD Sanning

(Below Left & Center Photos:) PCDD George Barrows was pleasantly surprised by the motivated NC Pack dogs who built a ramp to his den to increase his mobility and improve his well-being. (Below Right Photo: PDD Jones runs a fun ship when he's in charge of a Growl. Nice work!!!

A long "tail" from 37th CDD Sutton

And, Then There Was One More Thing...

At the 75th Supreme Growl (6 August 2014) in Charleston, West Virginia; there was one more tail that could not be told until then, that relates to the **Chief Devil Dog's Badge of Office**. Only two other Past Chiefs (their names are not disclosed to protect the guilty) had any knowledge of what I was about to relate.

In late August 1982, at the Marine Corps League's National Convention Banquet in Dearborn, Michigan, the evening after the 43rd Supreme Growl at which I was elected the 37th Chief Devil Dog; the Junior Past Chief Devil Dog, PDD Ed Gallagher of Pound 11, Pack of New York, presented to me, and to the Kennel, the newly created **Chief Devil Dog's Badge of Office**. Up to that point, the previous 36 Chief Devil Dogs simply wore a Gold Ribbon and Gold National MCL cover while in office.

This was an undertaking of Past Chief Gallagher, unknown to anyone, until that moment. As I recall the tail, Past Chief Gallagher said that the **Chief Devil Dog's Badge of Office** was made from some sort of dental material. It was silver in color, suspended from a silver chain, with the head of a helmeted Devil Dog on the front with *"First to Fight"* on the collar of the helmeted Devil Dog, encircled by the words *"MODD"* above and *"MARINES"* underneath the three dimensional figure depicted. The reverse side was blank and concave to some extent, making it impossible to engrave anything on it.

Upon returning home and regaining something resembling a *"normal"* life (no Chief's life is *"normal"* after assuming that office); I attended several Pound and Pack Growls in the Mid-Atlantic States region. Some Dogs liked the new silver **Chief Devil Dog's Badge of Office**, some didn't (actually several *Ol' Dogs* vociferously voiced their displeasure about its color). I paid something on the order of \$25.00 in **BIG BONES** in fines at those Pound and Pack Growls because nothing was engraved on the reverse side of the silver **Chief Devil Dog's Badge of Office**. So, I got to figuring, how can I make this better?

So, on the advice of a lady I was dating at the time; in late November 1982, I took the silver **Chief Devil Dog's Badge of Office** to a long-established and reputable jeweler in Haddonfield, NJ (ironically, the same town from which Past Chief Bob Lent had graduated high school) that was also one of the only dealers in the area in regalia (jewels of office, etc.) for the *Free and Accepted Masons*. I explained that I wanted to gold-plate the **Chief Devil Dog's Badge of Office** and affix a smooth, level back to it, suitable for engraving. I asked that the words, *"...Chief Devil Dog's Badge of Office – Presented by P.C.D.D. E. F. Gallagher – 27 August 1982..."* be engraved on the reverse side of the new **Badge**.

Finally, I said that I wanted to replace the extremely heavy metal chain with a gold "braid" chain. The gentleman, with whom I dealt, said that that shouldn't be a problem. He said that it would probably take about two weeks to accomplish what I wanted. Fortunately, my next scheduled visit as Chief wasn't set until shortly after the first of the year (1983). At little more than two weeks later, the gentleman called and said that the new **Badge** was ready to be picked up. I went and got it and was well-pleased. That *"adventure"* set me back \$285.00 **BIG BONES**; but, well worth it, in my view.

The newly gold-plated **Chief Devil Dog's Badge of Office** had its first public showing in early 1983. Almost everyone liked the new look, except Past Chief Gallagher. I overlooked his criticism and went on about the business of being the 37th Chief Devil Dog. In 1984, I conveyed the **Chief Devil Dog's Badge of Office** to the 38th Chief Devil Dog, PDD Gil Gray, PNC. It has been passed on to each succeeding Chief Devil Dog since.

A long "tail" continued

(Continued from pg. 22) In May 1990, the 42nd Chief Devil Dog, PDD Mary Krauss-Hensley (aka *Her Imperial Majesty*) commissioned me to contact the same vendor that had gold-plated the **Chief Devil Dog's Badge of Office** in 1982 and have thirty miniature **Chief Devil Dog's Badge of Office** – in sterling silver – struck at a cost of about \$1,100.00 in **BIG BONES**. So, I did what she commanded (no-one ever said no to *"Mother Mae"*), picked them up in July 1990 and took them to Sacramento, California where PDD Krauss-Hensley distributed them to the living Past Chiefs at the 51st Supreme Growl. (Continued pg. 23) These miniature **Chief Devil Dog's Badge of Office** have – since - been worn by the Past Chiefs in lieu of the "gold" Kennel Staff Dog Tags every elected or appointed Kennel Officer is authorized to wear.

Now, I have to back up slightly and tell the tail of my return visit to the vendor that had gold-plated the **Chief Devil Dog's Badge of Office** in 1982. When I went to their shop, carrying a photograph of the original silver **Badge**, I found that the gentleman with whom I had dealt in 1982 had passed away. His nephew was now the business' proprietor. When I showed him the photograph, he said, "... **just hold on a moment...**" and disappeared into the back of the shop. Emerging a few minutes later, he was holding the **ORIGINAL** silver **Chief Devil Dog's Badge of Office** donated by Past Chief Gallagher!

Dumbfounded, I said, "...**how can that be, isn't it inside the gold-plated Badge?...**" His response was that according to some cryptic notes left behind by his uncle, the gold-plating would not adhere to the **ORIGINAL** silver **Chief Devil Dog's Badge of Office**, so an entirely new gold-plated **Chief Devil Dog's Badge of Office** was created and the original put into the safe for return to me. Somehow, the original was forgotten and had lain there until I showed up in 1990. Adding to the confusion, my personal address and telephone number had become separated from the original **Badge** and apparently misplaced or lost. So, having that **ORIGINAL** silver **Chief Devil Dog's Badge of Office** as a template, I ordered the thirty miniature **Chief Devil Dog's Badge of Office** – in sterling silver – struck. The **ORIGINAL** silver **Chief Devil Dog's Badge of Office** was returned to me when I retrieved the thirty miniature **Badges**.

Now, I'm facing a real dilemma. What to do with this **ORIGINAL** silver **Chief Devil Dog's Badge of Office**? I brought it home, found a box for it and put in amongst my Devil Dog memorabilia. I thought that – at some point – I'm going to have to **"fess up"** about this **"failure"** on my part relating to a **"one-of-a-kind"** Devil Dog **"treasure"**. I was that flummoxed over what had happened. After a while, it became less stressful to be in the possession of this **treasure**"; and, eventually this **"secret"** worked its way to the back of my feeble brain-housing group. The 1990s passed and we entered the 21st century. Quite frankly, I forgot all about it. In 2001, I shared the secret of its existence with another Past Chief, swearing that Dog to secrecy. Later, in 2013, I told a second Past Chief about my **deep, dark, dirty secret**; and, let it go at that.

By that time, I was up over my Dog House's roof with researching and writing **An Old Mutt's Tail** and again came across the **ORIGINAL** silver **Chief Devil Dog's Badge of Office**. Aha – now I have a solution! I'll go to the 75th Supreme Growl, **"fess up"**, and present the long-concealed **ORIGINAL** silver **Chief Devil Dog's Badge of Office** to the Kennel Historian, Past Chief Lent, for eternal safe-keeping. That's my story and I'm sticking' to it.

DEVIL DOG'S CREED

By PDD George E. Williams

I am an American, I was born in France. I hold the title of United States Marine, and understand the commitment of holding the title, Devil Dog. It is a tradition born at Belleau Wood in the year 1918, of a force in readiness and the "First to Fight." As a Devil Dog, I ask no quarter and give no quarter. I will do everything in my power to uphold the objectives of the Military Order of Devil Dogs and to carry out my duties to a swift and satisfactory completion.

Good night, Chesty, wherever you are!
